

MN Future Problem Solving Program (FPS) New Coach Training

**Hosted by: North Junior High
1212 - 29th Ave North
St. Cloud, MN 56303
Enter at Door 1**

**Monday/Tuesday
August 21-22
8:30 a.m. – 3:00 p.m.**
A Jimmy John's Sandwich will be
provided for lunch.

What will you learn to take back to your classroom?

(Or perhaps you want to coach for a competition.)

1. The six step Creative Problem Solving Process (CPS)
2. Develop your creative thinking skills
3. Develop your critical thinking skills
4. Exercise Critical and Analytical thinking
5. How to encourage real-life problem solving experiences
6. Practice flexibility/adaptability
7. Ensure global competency
8. Increase environmental literacy
9. Generating and focusing tools

All supporting materials are included in the registration fee.

To Register, go to:

<https://mnfmsp.wufoo.com/forms/mqs7rd01qhiz0f/>

Registration Deadline:

Tuesday, August 15

All participants will be certified to Coach the Global Issues Problem Solving (GIPS) FPS Component, both in the classroom and as a competition, at the end of this two day training.
